<p>How to play Book of Dead</p>

<p></p>

<p>Playing Casino at Mr Green is always an adventure of sorts and in the case💲 of Play N Go's Book of Dead, it's an adventure *about* an adventure.&

lt;/p>

<p></p>

<p>But let's start with its name. The Book of Dead💲 was a collection of manuscripts put together by numerous priests in Ancient Egypt aimed at helping the dead with their💲 journey through the Underworld. It all sounds a bit spooky, although we're sure they put it together with the best💲 of intentions.</p>

<p></p>

<p>Anyway, history lesson over and thankfully this slot is of a rather more uplifting nature than the inspiration for💲 its name. How could it not be when the protagonist is Rich Wilde, an explorer in the Indiana Jones mould💲 who fears nothing and is never happier than when he's on the lookout for hidden treasures? Irrespective of the dangers💲 he may come across when looking for them.</p>

<p></p>

<p>If you think you've seen Rich Wilde before, it's very possible that you💲 have. He's been the main man in slots Pearls of India and Aztec Idols, both also available at Mr Green.💲 So apart from anything else, the guy

certainly travels a lot.</p>

<p></p>

<p>Everyone needs a budget when you set off for adventure💲 and there are three ways to manage yours. On the far left at the bottom you can decide how much💲 each coin you're playing (between 0.01 and 1.0) with is worth by going up and down on the Coin Value 💲 button. Just next to that you can choose how many Coins you want to be playing (between 1-5) and just💲 to the right of that one you can decide how many lines (1-10) you want to have

active.</p>

<p></p>

<p>The more lines💲 you have in play, the greater your chances of having winning combinations on the reels but the downside is that💲 each extra line will cost you a bit more to play. Playing around with these three buttons will determine your💲 total stake per spin and you'll see how much that is where it says Bet just underneath it.</p>

<p></p>

<p>If you're in💲 high-roller mode you can just cut to the chase and play the house limit by pressing the Bet Max button.</p>

<p></p>

<p>Rounding💲 off what the different buttons do: Pay table shows yo
