<p>Dealers distribute all the cards at casino poker tables and are also in charge of</p> <p> managing the pot. In addition🌟 to handling all cards and chips , dealers enforce the</p&qt; <p> rules to make sure each game is played fairly. Read🌟 on to lea rn more about dealers in</p> <p> poker.</p> <p>What Dealers Do</p> <p>Dealers manage all the cards and pots at the poker table🌟 in a& It;/p> <p> casino. This means that, when betting at a casino, you don t deal hand s yourself;</p> <p> instead, a professional does.🌟 The designated dealer also mana ges community cards and</p> <p> any folded or discarded cards. While the act of dealing cards does 7775; not rotate between</p> <p> players, a dealer button is rotated after each hand to ensure that a Il players get a</p> <p> turn🌟 at being the dealer. </p> <p>A dealer s primary role is to distribute cards. To do this,</p> <p> dealers will shuffle the deck, first🌟 by scrambling them, or fanning them out on the</p> <p> table and pushing them around until they are all mixed together.ӽ 75; Then, the dealer will</p> <p> gather the cards into a deck and shuffle them in a standard manner, su ch as by🌟 riffling</p> <p> and boxing. Next, the dealer will place a cut card on the table and cu t the deck onto</p> <p&qt; it.🌟 The cut card remains at the bottom of the deck to keep th e bottom card from being</p> <p> seen. Finally, the 🌟 dealer will deal the cards to the players, allowing the game to</p> <p> begin.</p> <p>Throughout a poker game, dealers also manage the🌟 pot by lettin g players know</p> <p> when antes or blinds are due, telling players if action is on them, an d keeping🌟 track</p> <p> of the size of the pot. If you need to make change, you can do it with the dealer.</p> <p>🌟 Also, if you run out of chips, you might be able to get more from the dealer, depending</p> <p> on the🌟 casino (others might have you go to the cage).</p&g
